**CAO/Clerk, Township of Wollaston
Christine FitzSimons**

SECTION 3 - DEFINITIONS

For the purposes of this by-law, the definitions and interpretations in this Section shall govern unless the context indicates otherwise. The word "shall" is mandatory and not directory. Words used in the present tense include the future tense and the reverse. Words used in the plural number include the singular number and the reverse.

- 3.1 "ACCESSORY BUILDING"** shall mean a detached building or structure, the use of which is customarily incidental and subordinate to a principal (main) use, building or structure and located on the same lot therewith and is not intended for human habitation unless specifically permitted in this by-law.
- 3.2 "ACCESSORY USE"** shall mean a use customarily incidental and subordinate to, and exclusively devoted to the main use of the lot, building or structure and located on the same lot as such main use.
- 3.3 "AGRICULTURAL PRODUCE SALES OUTLET"** shall mean a seasonal use accessory to a farm which consists of the retail sale of agricultural products such as fruit, vegetables, flower or farm produce, the majority of which are produced on the farm where such outlet is located, and which shall not require a permit from the Township.
- 3.4 "AGRICULTURE/AGRICULTURAL USE"** shall mean the growing of crops, including nursery and horticultural crops; raising of livestock; raising of other animals for food, fur or fibre, including poultry and fish; aquaculture; apiaries; agro-forestry; maple syrup production; and associated on-farm buildings and structures, including accommodation for full-time farm labour when the size and nature of the operation requires additional employment.
- 3.5 "AGRICULTURE – RELATED USE"** shall mean those farm-related commercial and farm-related industrial uses that are small-scale and directly related to the farm operation and are required in close proximity to the farm operation.
- 3.6 "ALTER"** shall mean any alteration in a bearing wall or partition, column, beam, girder or other supporting member of a building or structure or any increase in the area or cubic contents of a building or structure. When used in reference to a lot, the word "alter" means to decrease the width, depth or area of any required yard, setback, open space or parking area or to change the location of any boundary of such lot with respect to a public highway or laneway, whether such alteration is made by conveyance or alienation of any portion of said lot or otherwise. The words "altered" and "alteration" shall have a corresponding meaning.
- 3.7 "AMUSEMENT ARCADE"** shall mean a building or place of amusement containing

games of chance and/or skill, including pinball/video games and billiards to be used by the general public for recreational purposes and operated for a profit. This definition does not include an establishment, the primary use of which is not an amusement arcade and in which not more than 3 such games of chance are located.

- 3.8 "ARENA"** shall mean a building or structure which includes spectator seating, two or more seating areas for visiting teams and provisions for storage and access of ice cleaning equipment and all other required equipment used for the purpose of organized activities including sports and other group functions.

- 3.216 "WAYSIDE QUARRY"** shall mean a temporary quarry opened and used by a government authority or authorized contractor for the purpose of a particular public project such as road construction.
- 3.217 "WETLANDS"** shall mean lands that are seasonally or permanently covered by shallow water, as well as lands where the water table is close to or at the surface. In either case, the presence of abundant water has caused the formation of hydric soils and has favoured the dominance of either hydrophytic or water tolerant plants. The four major types of wetlands are swamps, marshes, bogs and fens.
- 3.218 "WOODLOT"** shall mean a wooded area in which the majority of trees are at least 10.2 centimetres (4.0 inches) in diameter and in which there is a minimum of a fifty (50) percent closed canopy of tree foliage.
- 3.219 "WORKSHOP"** shall mean a building or structure where manufacturing is performed by

tradespeople requiring manual or mechanical skills and may include a carpenter's shop, a woodworker's shop, a locksmith's shop, a gunsmith's shop, a tinsmith's shop, an upholsterer's shop, a welder's shop or similar uses.

- 3.220 "YARD"** shall mean the space appurtenant to a building or structure located on the same lot as the building or structure which space is open, uncovered, and unoccupied from the ground to the sky except for such accessory buildings, structures, or uses which are specifically permitted by this by-law.
- 3.221 "YARD, FRONT"** shall mean the yard extending across the full width of the lot between the front lot line of the lot and the nearest part of any building or structure on the lot. The "minimum" front yard shall mean the distance between the front lot line and the nearest wall of any building or structure.
- 3.222 "YARD, REAR"** shall mean the yard extending across the full width of the lot between the rear lot line of the lot and the nearest part of any principal building or structure on the lot. Where a lot abuts a watercourse or waterbody, the rear yard shall mean the minimum distance between the highwater mark and the nearest wall of any principal building or structure. Where a rear yard is required for an accessory building in this by-law then this definition shall apply except that the words "accessory building" shall be substituted for "principal building".
- 3.223 "YARD, SIDE"** shall mean the yard extending from the front yard to the rear yard between the side lot line and the nearest part of any building or structure.
- 3.224 "YARD, INTERIOR SIDE"** shall mean the side yard extending from the front yard to the rear yard between the side lot line and the nearest part of any building or structure on any lot and excluding any exterior side yard. The "minimum" interior side yard shall mean the minimum distance between an interior side lot line and the nearest wall of any building or structure.
- 3.225 "YARD, EXTERIOR SIDE"** shall mean the side yard of a corner lot in which the side yard extends from the front yard to the rear yard between the side street line and the nearest part of any building or structure on the corner lot. The "minimum" exterior side yard shall mean the distance between the exterior side lot line and the nearest wall of any building or structure.
- 3.226 "ZONE"** shall mean a designated area of land use shown on the Schedules to this by-law.

SECTION 4 - ADMINISTRATION

4.1 ZONING ADMINISTRATION

This by-law shall be administered by a person appointed by the Council of the Township of Wollaston as the Chief Building Official.

4.2 ISSUANCE OF BUILDING PERMITS

Where land is proposed to be used or a building or structure is proposed to be erected or used in violation of this by-law, no permit or licence required under any by-law of the Corporation for the use of the land or for the erection or the use of the building or structure shall be issued.

4.3 APPLICATIONS FOR BUILDING PERMITS

In addition to the requirements of the Ontario Building Code, the Corporation's Building By-law or any other by-law of the Corporation, every application for a building permit shall be accompanied by plans (which depending upon the nature and location of the work to be undertaken may be required, by the Corporation, to be based upon an actual survey prepared by an Ontario Land Surveyor) drawn to an appropriate scale and showing the following:

- i) the true shape and dimensions of the lot to be used or upon which it is proposed to erect any building or structure;
- ii) the proposed location, height and dimensions of the building, structure or work in respect of which the permit is being applied for;
- iii) the location of every building or structure already erected or partly erected on such lot;
- iv) the proposed locations and dimensions of yards, open spaces, parking areas, and loading spaces required by this by-law;
- v) proposed grading or change in elevation or contour of the land and the proposed method for the disposal of storm and surface water from the land and from any building or structures thereon;
- vi) a statement signed by the owner or his agent duly authorized thereinto in writing, filed with the Chief Building Official, which statement shall set forth in detail the intended use of each building and structure or part thereof and giving all information necessary to determine whether or not every such building or structure conforms with the regulations of this by-law.

- 4.3.1** In addition to the above requirements, no building permit shall be issued for any building or structure which requires servicing unless the building permit application is accompanied by:

- i) approval in writing from the appropriate responsible authority for the proposed method of sewage disposal;
- ii) a well record from a qualified well driller demonstrating a water pumping capacity at a rate of and over a period of time acceptable to the Township.

4.4 INSPECTION OF LAND OR BUILDINGS

Where the Chief Building Official has reason to believe that any person has used land or used a building or structure contrary to this by-law, he/she, or an employee of the municipality authorized by him/her, may at any reasonable hour, enter and inspect the land, building or structure.

4.5 VIOLATIONS AND PENALTIES

Any person who contravenes any provisions of the by-law is guilty of an offence, and for the purposes of this by-law, each day that a breach of this by-law continues shall constitute a separate offence and on summary, the offender shall be liable to be fined under the provisions of the Provincial Offences Act.

The conviction of an offender upon the breach of any of the provisions of this by-law shall not operate as a bar to a prosecution against the same offender upon any continued or subsequent breach of any such provision and any court of competent jurisdiction may convict any offender repeatedly for repeated breaches of the by-law.

4.6 OCCUPATION OF BUILDINGS

4.6.1 Occupation of all new buildings and converted dwellings shall require a Certificate of Occupancy from the Township's Chief Building Official in accordance with the Ontario Building Code and any other municipal by-laws.

4.6.2 Notwithstanding anything contained in this by-law, no person shall use or occupy any building for residential purposes:

- i) unless such building has been substantially completed and finished in all respects in accordance with the plans and specifications filed upon application for the building permit,
- ii) unless such building is serviced with electricity, a pressure well water supply system, and an appropriate sanitary sewage disposal system. Alternate forms of servicing shall be subject to the approval of the Chief Building Official.

4.7 VALIDITY, EFFECTIVE DATE AND EXISTING BY-LAWS

4.7.1 Validity

If any section, clause or provision of this by-law, including anything contained on the attached schedules, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this by-law as a whole or any part thereof other than the section, clause, or provision so declared to be invalid and it is hereby

declared to be the intention that all the remaining sections, clauses or provisions of this by-law shall remain in full force and take effect until repealed, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

4.7.2 Effective Date

This by-law shall come into force and take effect upon being passed by the Council of the Township of Wollaston.

4.7.3 Existing By-laws

All by-laws in force within the Corporation of the Township of Wollaston regulating the use of lands and the character, location, bulk, height and use of buildings and structures are amended insofar only as it is necessary to give effect to the provisions of this by-law and the provisions of this by-law shall govern unless otherwise specified.

4.7.4 Repeal of Existing Zoning By-law

By-law No. 8-79 as amended of the Corporation of the Township of Wollaston is hereby repealed in its entirety.

4.8 APPLICATION

This by-law shall apply to all lands within the Township of Wollaston, and shall take effect on the day it is enacted.

4.9 INTERPRETATION

Nothing in this by-law shall be construed to exempt any person from complying with the requirement of any by-law of the Township of Wollaston or the Corporation of the County of Hastings or from any law of the Province of Ontario or Canada, or any regulations under the provisions of the Conservation Authorities Act of a Conservation Authority having jurisdiction or from any other law in force from time to time.

4.9.1 In this by-law, the word "shall" is mandatory.

4.10 ZONES

4.10.1 For the purpose of this by-law, the Township of Wollaston has been divided into zones, the boundaries of which are shown on the attached schedules.

4.10.2 The attached schedules are detailed maps for portions of the Township of Wollaston.

4.10.3 The zones are referred to by the following names or symbols and are identified on the attached schedules inclusive by the following symbols:

<u>ZONE</u>	<u>SYMBOL</u>	<u>PAGE NO.</u>
RURAL ZONE	RU	53
RURAL RESIDENTIAL ZONE	RR	55
LIMITED SERVICE RESIDENTIAL ZONE	LSR	58
WATERFRONT RESIDENTIAL ZONE	WR	61
RESIDENTIAL FIRST DENSITY ZONE	R1	63
RESIDENTIAL SECOND DENSITY ZONE	R2	65
COMMERCIAL ZONE	C	68
RECREATIONAL/RESORT COMMERCIAL ZONE	RRC	71
INDUSTRIAL ZONE	I	75
MINERAL EXTRACTIVE ZONE	MX	78
WASTE DISPOSAL ZONE	WD	81
COMMUNITY FACILITY ZONE	CF	84
OPEN SPACE ZONE	OS	86
ENVIRONMENTAL PROTECTION ZONE	EP	87

4.10.4 Where the boundary of any zone is uncertain, and the boundary is shown following a street, lane, railway right-of-way, electric transmission line, right-of-way or watercourse, then the centre line of the street, lane, railway right-of-way, electric transmission line, right-of-way or watercourse is the zone boundary.

4.10.5 Where the boundary line of a zone does not correspond to a property line, to the centre line of a street, highway line, right-of-way or watercourse, the location of said boundary line shall be scaled from the scale shown on the attached schedules.

4.10.6 Where the boundary of any zone is uncertain and notwithstanding the provisions of this subsection, the dimensions contained in any amending by-law shall apply.

4.10.7 Where the regulations of a zone include a requirement that the minimum yard of a lot or parcel of land shall be a specific number of metres, such minimum yard shall be determined by measuring at right angles from either the street line of the public street or the lot line abutting such yard in the direction of such lot or parcel of land a distance equal to the said specific number of metres in the relevant regulation of such zone.

4.10.8 The minimum lot area shall be as contained in the appropriate section of this by-law for the zone in which the lot is located.

4.10.9 All uses of land and the erection or use of any building or structure for a purpose not permitted under the "Permitted Use" subsection of one or more zones established by this by-law are and shall be deemed to be prohibited in each such zone, except for those uses of land and the erection or use of any building or structure for a purpose expressly permitted under the applicable provisions of this by-law.

4.10.10 For the purposes of this by-law:

- a) Rural Residential (RR), Waterfront Residential (WR), Residential First Density (R1), Residential Second Density (R2) are residential zones.
- b) Commercial (C) and Recreational Resort Commercial (RRC) are commercial zones.
- c) Industrial (I), Mineral Extractive (MX) and Waste Disposal (WD) are industrial zones.

4.10.11 Where a lot is divided into more than one zone under the provisions of this by-law, each such portion of the lot shall be used in accordance with the zone provisions of this by-law for that portion of the lot, including lot area and lot frontage.

4.10.12 Imperial units are provided for convenience only and shall not be used to determine the requirements of the by-law.

SECTION 5 - GENERAL PROVISIONS

5.1 ACCESSORY BUILDINGS AND STRUCTURES

- 5.1.1** No person shall use an accessory building for human habitation except where it is permitted as an accessory use in the applicable zone.
- 5.1.2** Notwithstanding the provisions of section 5.32 of this by-law entitled 'Temporary Uses' to the contrary, no accessory building shall be erected prior to the erection of a principal building or structure.
- 5.1.3** The total lot coverage of accessory buildings and structures including detached private garages shall not exceed five (5) percent of the lot area except where a swimming pool or tennis court is provided, in which case the total lot coverage for accessory uses shall not exceed twenty (20) percent. In no case shall the lot coverage of all buildings on a lot exceed the maximum lot coverage of the principal use set out in the applicable provisions of this by-law.
- 5.1.4** Except in a Rural (RU) zone, any accessory building shall be erected to the rear of the projected front wall of the principal building in accordance with the provisions of the particular zone. An accessory building in the Rural (RU) zone shall be permitted to locate to the front of the projected front wall of the principal building, provided it meets the minimum front yard requirement of the Rural (RU) zone. An accessory building in the Rural (RU) zone shall meet the additional requirements of the RU zone for accessory buildings.
- 5.1.5** The minimum distance of any accessory building from a principal building shall be 3.0 metres (9.8 ft.).
- 5.1.6** An accessory building shall not be built closer to any lot line than the minimum distance required by this by-law except that common semi-detached garages and private mutual docks may be erected on a mutual side lot line.
- 5.1.7** In the case of a sleeping cabin to be located on a lot which has at least two times the minimum lot frontage and two times the minimum lot area required by this by-law, the maximum gross floor area of the sleeping cabin may be increased to 55.7 sq. m (600 sq. ft.).
- 5.1.8** The total gross floor area of all accessory buildings and structures shall be less than the total gross floor area of the principal use.

5.2 ACCESSORY DWELLING HOUSE OR DWELLING UNIT IN A NON-RESIDENTIAL ZONE

Where permitted by this by-law, an accessory dwelling house or dwelling unit may be provided, in accordance with the following regulations:

- i) An accessory single-detached dwelling house as a separate structure or an accessory dwelling unit shall be permitted, if occupied by the owner, caretaker, watchman or similar person, provided that such person is employed on the lot on which such dwelling house or unit is located and that the lot can be serviced by a potable water supply and sewage disposal system having the approval of the appropriate authorities.
- ii) An accessory dwelling house shall have a minimum gross floor area of 74.3 square metres (800 sq. ft.) and where there is more than one floor, a minimum ground floor area of 44.5 square metres (479.0 sq. ft.).
- iii) An accessory dwelling house shall meet the yard and height requirements of the R1 zone and the lot area, lot frontage and all other requirements of the zone in which it is located.
- iv) An accessory dwelling unit within a non-residential building shall have a minimum gross floor area of 55 square metres (592.0 sq. ft.).
- v) An accessory dwelling unit shall be permitted in a portion of a non-residential building, except in the case of a motor vehicle service station or motor vehicle sales agency where such dwelling unit shall not be permitted.
- vi) An accessory dwelling unit shall have bathroom and kitchen facilities separate from those of the non-residential use and a separate building entrance to that provided for the non-residential use.
- vii) An accessory dwelling unit shall contain storage facilities having a minimum area of 2.8 sq. m (30 sq. ft.).
- viii) An accessory dwelling house and an accessory dwelling unit shall each provide parking spaces, in accordance with the requirements of this by-law, that are separate from and in addition to those required by the parking requirements of this by-law for the principal use.
- ix) Notwithstanding the provisions of clause 5.2(iv) above, the gross floor area of the residential portion (i.e. the accessory dwelling unit) of a non-residential building in a commercial zone shall not exceed one hundred (100) percent of the non-residential floor area.

5.3 ENVIRONMENTAL PROTECTION (EP) ZONES

5.3.1 Waterbodies and permanent watercourses are hereby zoned Environmental Protection (EP) and shown on the attached schedules.

5.3.2 Lands that may pose a threat to life and property because of inherent physiographic characteristics such as floodplains, erosion hazards, poor drainage, organic soil, steep slopes or other similar physical limitations have been zoned Environmental Protection (EP) and shown on the attached schedules.

5.3.3 Notwithstanding any other provisions of this by-law to the contrary, all uses, buildings or structures within the Environmental Protection Zone may continue to be used for those uses existing as of the date of passage of this by-law.

5.3.4 Lands zoned as Environmental Protection (EP) may be used in calculating minimum lot area but may not be used in calculating minimum lot frontage requirements. However, a minimum of fifty percent (50%) of the required lot area must be provided on the lot outside any EP zone on the lot.

5.4 ENVIRONMENTALLY SENSITIVE LANDS

5.4.1 Environmentally Sensitive Lands are those lands identified as natural heritage areas and systems having significant biological, geological, zoological or other unique natural features such as wildlife habitat, areas of natural and scientific interest, habitat of threatened or endangered species, woodlands and valley lands.

5.4.2 Development of environmentally sensitive lands is subject to a Holding symbol and may be developed in accordance with the underlying zone classification. Removal of the Holding symbol is subject to receipt of comments from appropriate agencies including the Crowe Valley Conservation Authority and to passage of a by-law to remove the Holding symbol (Section 36 of the Planning Act), approved by the Township of Wollaston.

5.4.3 Crowe Valley Conservation Authority has enacted Ontario Regulation 159/06 to review development proposals with environmentally sensitive and/or natural hazard physiographic characteristics. All development or site alteration proposals within the Crowe Valley Conservation Authority's regulated area must conform to these regulations.

5.5 EXISTING UNDERSIZED LOTS

Notwithstanding any other provision of this by-law to the contrary, where a lot that existed prior to the date of passing of this by-law has a lesser lot area and/or frontage than required, or, where such lot is created as a result of an expropriation or acquisition by a public authority, such smaller lot may be used and a building or structure may be erected, altered or used provided that there is compliance with all other applicable zone provisions of this by-law.

5.6 EXISTING USES, BUILDING OR STRUCTURES

5.6.1 Continuation of Existing Uses

The provisions of this by-law shall permit the use of any lot, building or structure for any

purpose prohibited by this by-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this by-law, so long as it continues to be used for that purpose.

5.6.2 Permitted Exterior Extension

A building, which before the date of passing of this by-law, was used for a purpose not permissible within the zone in which it is located shall not be enlarged or extended unless such building is thereafter to be used for a purpose permitted within such zone and complies with all requirements of this by-law for such zone, or unless the requirements of Section 45 of the Planning Act, R.S.O. 1990 are first complied with.

5.6.3 Permitted Interior Alteration

The interior of any building lawfully used before the date of passing of this by-law for a use that is not permitted within the zone in which such building is located may be reconstructed or structurally altered in order to render the same more convenient or commodious for the same purpose for which, before the passing of this by-law, such building was used.

5.6.4 Restoration to a Safe Condition

Nothing in this by-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof lawfully used on the date of passing of this by-law provided that the strengthening or restoration does not increase the building height, size or volume or change the use of such building or structure.

5.6.5 Reconstruction of Damaged Existing Buildings or Structures

Nothing in this by-law shall apply to prevent the reconstruction of any lawful non-conforming building or structure which is damaged by causes beyond the control of the owner provided the original height and ground floor area are not increased.

5.6.6 Change of Use

The use of a lot, building or structure, which under the provisions hereof is not permissible with the zone in which such use, lot, building or structure is located, shall not be changed except to a conforming use.

5.6.7 Permitted Non-Complying Buildings or Structures

Nothing in this by-law shall prevent the enlargement, extension, reconstruction, renovation, repair or alteration of a building or structure which existed at the date of

passing of this by-law which is used for a purpose specifically permitted within the zone in which such building or structure is located. Where such building or structure does not comply with the setback or setbacks of one or more yards that is or are required, such setback or setbacks shall not be further reduced and all other provisions of this by-law shall be complied with.

5.6.8 Floor Area Less than Required

Nothing in this by-law shall prevent an extension or addition being made to a permitted dwelling house, which dwelling house existed at the time of passing of this by-law but which has a gross floor area or dwelling unit area less than required by this by-law, provided such extension or addition does not contravene any other provision of this by-law and achieves the minimum gross floor area as required.

5.6.9 Private Right-of-Way

Notwithstanding the provisions of this by-law, where a building has been erected prior to the passing of this by-law on a lot which fronts on a private right-of-way registered on title and which provides legal access to an improved public street, the provisions of this by-law shall not apply to prevent the enlargement, alteration, extension, renovation or reconstruction of such a building or structure, provided the use of such building or structure is permissible in the zone in which it is located and that all other applicable zone provisions of this by-law are complied with.

5.7 EXTERNAL DESIGN

The following building materials shall not be used for more than 5 percent of the exterior vertical facing of any wall of any residential building within the Township:

- i) building paper;
- ii) asphalt roll-type siding;
- iii) insulbrick.

5.8 FRONTAGE ON A STREET

No person shall erect any building or structure in any zone, except in a Limited Service Residential (LSR) Zone, unless the lot upon which such building or structure is to be erected fronts upon a street, as defined in this by-law. The above provisions shall not apply to prohibit the erection of any building on a lot on a registered plan of subdivision where a subdivision agreement has been entered into but in which the streets will not be assumed until the end of the maintenance period.

5.9 GARDEN SUITES

Notwithstanding any other provisions of this by-law to the contrary, garden suites, as defined in this by-law, shall be permitted subject to the following requirements:

- i) the gross floor area shall be a minimum of 49 square metres (527.4 sq. ft.) and a maximum of 65 square metres (699.7 sq. ft.);
- ii) the dwelling unit shall be self-contained and shall have a private entrance;
- iii) the sanitary sewage disposal, water supply and electrical services for the suite shall be derived from and connected to the services of the single-detached dwelling upon which lot the garden suite is situated, subject to the approval of the authorities responsible for the various services;
- iv) all of the provisions of the respective zone in which the garden suite is situated shall be complied with in addition to the following special criteria:
 - a) Rear Yard (Minimum) 4.5 metres (14.8 ft.)
 - b) Building Height (Maximum) 4.5 metres (14.8 ft.)
 - c) Separation Distance from the Principal Dwelling (Maximum) 4.5 metres (14.8 ft.)
- v) the owner/occupant of the detached dwelling upon which lot the garden suite is situated and the occupant of the garden suite shall enter into an agreement with the Township pursuant to the Municipal Act stating that the owner of the detached dwelling and the occupant of the garden suite are related by blood or marriage, the age of the occupant of the garden suite, that no other individual(s) will occupy the garden suite, and that the garden suite will be removed when it is no longer needed;
- vi) access from a street to a garden suite shall be obtained by the driveway serving the principal dwelling on the lot;
- vii) a garden suite shall be located behind the principal dwelling house on the property;
- viii) the placement of a garden suite on a lot shall be subject to site plan control pursuant to the Planning Act to ensure all servicing, buffering, parking and other issues are addressed, in addition to the minimum yard requirements noted above;
- ix) a temporary use shall be subject to a zoning by-law is passed by Council in accordance with the provisions of the Planning Act, which shall be in place for a period not exceeding ten (10) years.

5.10 GROUP HOMES

Group homes are permitted in the Rural Residential (RR), Waterfront Residential (WR), Residential First Density (R1) and Residential Second Density (R2) zones. Group homes are subject to the following provisions in addition to those of the residential zone in which they are located:

- i) Occupancy:
A group home shall occupy the whole of the residential dwelling.
- ii) Gross Floor Area (Minimum) (including staff and/or receiving family):
 - 18 square metres (193.8 sq. ft.) of gross floor area per adult resident;
 - 9 square metres (96.9 sq. ft.) of gross floor area per child resident.
- iii) Rear Yard Amenity Area (Minimum):
 - 14 square metres (150.7 sq. ft.) for each group home resident, exclusive of staff or receiving family, and not less than a total of 100 square metres (1,076.4 sq. ft.) for each group home.
- iv) Separation Distance (Minimum):
 - 500 metres (1,640.4 ft.) from any other group home.
- v) Off-street parking shall be provided in accordance with the provisions of this by-law.

5.11 HOLDING ZONES

5.11.1 Where any zone symbol as shown on the attached schedules is followed by the symbol "h", this signifies that no person shall use any land, erect, alter, enlarge, use or maintain any building or structure until such time as the holding symbol has been removed by the Township in accordance with the provisions of the Planning Act. Upon removal of the holding symbol, the permitted use of the subject property and the erection of any buildings or structures thereon shall be undertaken in accordance with the provisions of the underlying zoning category.

5.11.2 Where a Holding zone is in effect, uses, building or structures existing prior to the passing of this by-law and accessory uses thereto may be enlarged, reconstructed, renovated or replaced in accordance with the relevant zone regulations where such use is normally permitted.

5.12 HOME INDUSTRY

5.12.1 Home industries, as defined in this by-law, are permitted in the Rural (RU) and Rural Residential (RR) zones only. Home Industries shall be established and operated in accordance with the following:

- i) outside storage of goods or materials shall comply with the provisions of this by-law for outside storage (Section 5.23);
- ii) there is no display, other than a sign of a maximum size of 1.1 square metres (11.8 sq. ft.) to indicate that any part of the dwelling or accessory building is being used for a purpose other than residential, and such sign shall be set back a minimum of 3 metres (9.8 ft.) from any lot line;
- iii) the home industry is clearly secondary to the main residential use and does not change the residential character of the dwelling house nor create or become a public nuisance with regard to, in particular, noise, noxious odours, emission of

- smoke, traffic or parking;
- iv) where an interior side yard and/or rear yard abuts a residential zone, then interior side yard and/or rear yard shall be a minimum of 15 metres (49.2 ft.) within which the outside storage of goods or materials shall not be permitted;
- v) the home industry does not interfere with telecommunications reception;
- vi) a limited retail function may be carried on but no goods, wares or merchandise shall be publicly offered or exposed for sale on the premises outside of any buildings; the limited retail function shall be incidental and subordinate to the home industry;
- vii) on-site parking is provided in accordance with the provisions of this by-law;
- viii) any accessory building or structure shall not exceed 50 sq. metres (538.2 sq. ft.);
- ix) the home industry may employ no more than two (2) employees not residing in the dwelling house;
- x) one commercial vehicle associated with the home industry is permitted.

5.13 HOME OCCUPATION

5.13.1 Home occupations, as defined in this by-law, are permitted in the Rural (RU), Rural Residential (RR), Waterfront Residential (WR), Residential First Density (R1) and Residential Second Density (R2) zones only. Home occupations shall be established and operated in accordance with the following:

- i) there is no display, other than a sign of a maximum size of .55 square metres (6.0 sq. ft.) to indicate that any part of the dwelling is being used for a purpose other than residential, and such sign shall be set back a minimum of 3 metres (9.8 ft.) from any lot line;
- ii) the home occupation is clearly secondary to the main residential use and does not change the residential character of the dwelling house nor create or become a public nuisance in regard to, in particular, noise, noxious odours, emission of smoke, traffic or parking;
- iii) the home occupation does not interfere with telecommunications reception;
- iv) not more than 25 percent of the gross floor area of the dwelling house is used for the purposes of home occupation uses except in the case of a bed and breakfast establishment, as defined in this by-law and where permitted in this by-law, in which situation the applicable zone provisions of this by-law including this by-law's parking provisions shall apply;
- v) the home occupations shall be conducted entirely within the dwelling house;
- vi) the home occupation may employ one (1) person in addition to persons residing in the dwelling house;
- vii) on-site parking is provided in accordance with the provisions of this by-law.

5.14 KENNELS

5.14.1 Kennels shall be permitted in the Rural (RU) and Rural Residential (RR) zones only.

5.14.2 Kennels shall be set back a minimum of 90 metres (295.3 ft.) from all lot lines. All other provisions of the RU and RR zones shall apply.

5.14.3 The establishment and operation of kennels shall be in accordance with the Township's Kennel By-law No. 19-09.

5.15 LANDS ADJACENT TO WATERBODIES, WATERCOURSES, EMBANKMENTS AND FLOODPLAINS

5.15.1 Notwithstanding anything in this by-law to the contrary, no building permit shall be issued for any building to be constructed within those areas delineated in 5.15.2 and 5.15.3 without the prior written approval of the Crowe Valley Conservation Authority.

5.15.2 No building or structure, including a municipal drain (except where a municipal drain forms part of a road allowance) shall be located within the flood plain of a watercourse, notwithstanding that such watercourse is not shown on any schedule forming part of this by-law.

5.15.3 Notwithstanding anything in this by-law, no building, structure, or septic tank installation including the weeping tile field ('no development') shall be located:

- i) within 30 metres (98.4 ft.) of the highwater mark of a waterbody or permanent watercourse, notwithstanding that such body or watercourse is not shown on any schedule forming part of this by-law; or
- ii) within 15 metres (49.2 ft.) of the top of bank; or
- iii) within 120 metres (393.7 ft.) of any wetland greater than two hectares (4.94 acres) and 30 metres (98.4 ft.) for those wetlands less than 2 hectares (4.94 acres).

5.15.4 The provisions of subsections 5.15.2 and 5.15.3 shall not apply to buildings, structures and services requiring direct access to the water as an operational necessity such as a boathouse, marina or marine service building or facility, as defined in this by-law, pumphouse or other similar structure.

5.15.5 In the absence of detailed mapping, and where a flooding or erosion hazard is suspected, Council, in consultation with the Crowe Valley Conservation Authority, will require that a proponent of development detail the extent of any hazard lands and the measures that would be required to address the following requirements:

- i) that vehicles and people have a way of safely entering and exiting the area during times of flooding, erosion and other emergencies;
- ii) that new hazards are not created and existing hazards are not aggravated and

- that no adverse environmental impacts result;
- iii) that the hazards can be safely addressed and carried out using established standards and procedures and the Crowe Valley Conservation Authority has approved any floodproofing measures which are proposed;
- iv) that a site plan and site plan agreement, if necessary, have been completed to the satisfaction of the Township in consultation with the Crowe Valley Conservation Authority;
- v) that an amendment to this by-law setting out any applicable provisions has been obtained where required.

These provisions shall not apply to buildings, structures, and services requiring direct access to the water as an operational necessity such as a marina, marina service building or facility, pumphouse or other similar structure.

5.15.6 Natural vegetative buffers shall be maintained within 30 metres (98.4 ft.) of the highwater mark of all coldwater lakes/stream, as defined in the Official Plan of the County of Hastings, and 15 metres (49.2 ft.) of all other lakes.

5.16 LANDS SEVERED BY PUBLIC UTILITY LINES

Where lands are acquired for the purpose of a public utility line and such acquisition deprives a parcel of land of street frontage, the part of such parcel so deprived of street frontage shall be deemed for the purpose of this by-law to have frontage on such street providing the land has a permanent right of access to such street.

5.17 LIMITED SERVICE RESIDENTIAL DEVELOPMENT

5.17.1 Development that is proposed on a waterfront lot located on an existing private road or with access by water only, shall be rezoned to a Limited Service Residential Zone before a building permit may be issued by the Township.

5.17.2 Access to such lot shall be via a legally described right-of-way and/or from a mainland location on a waterbody, which location is used for parking cars and docking/launching boats. Such access shall be proven, to the satisfaction of the Township, before the lot is rezoned to a limited service residential zone.

5.17.3 A limited service agreement shall be entered into with the Township before a building permit may be issued. This shall ensure that the Township does not maintain and will not be expected to maintain a private road leading to the property or perform any other services normally associated with public highways in the Township.

5.18 LOADING SPACE REQUIREMENTS

- 5.18.1** Loading spaces shall be provided for the temporary parking of commercial motor vehicles while merchandise or materials are being loaded or unloaded from such vehicles. Such parking shall not be for the purpose of sale or display, shall not be located upon or partly upon any street, lane or alley, and shall have adequate access to permit ingress and egress of a commercial motor vehicle from a street by means of driveways, aisles, manoeuvring areas or similar areas, no part of which shall be used for the temporary parking or storage of one or more motor vehicles.
- 5.18.2** No person shall erect or use any building or structure in any zone for any commercial or industrial purpose involving the movement of goods unless loading spaces are provided and maintained in accordance with the following provisions:
- a) 185 sq. metres (2,000 sq. ft.) - 930 sq. metres (10,010.8 sq. ft.) 1 space
 - b) exceeding 930 sq. metres (10,010.8 sq. ft.) 2 loading spaces plus a minimum of 1 additional loading space for each 1400 square metres (15,070.0 sq. ft.) or fraction thereof in excess of 930 sq. metres (10,010.8 sq. ft.) .
- 5.18.3** Each loading space shall be at least 9.0 metres (29.5 ft.) long, 3.5 metres (11.5 ft.) wide and have a vertical clearance of at least 4.0 metres (13.1 ft.).
- 5.18.4** The required loading spaces shall be provided on the lot occupied by the building or structure for which the said loading spaces are required and shall not form a part of any street, private road, parking space or parking aisle.
- 5.18.5** For any commercial or industrial use, no loading space or part thereof shall be located and no land shall be used for loading purposes within 1.5 metres (4.9 ft.) of any lot line, or within 3 metres (9.8 ft.) of any street line or boundary of any residential zone, or within 3 metres (9.8 ft.) of the lot line of a residential use.
- 5.18.6** Access to loading spaces shall be by means of a driveway at least 6 metres (19.7 ft.) wide contained within the lot on which the spaces are located and leading to a street or lane located within or adjoining the zone in which the use is located.
- 5.18.7** The driveways and loading spaces shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles.
- 5.18.8** The loading requirements referred to herein shall not apply to any building in existence at the date of enactment of this by-law so long as the gross floor area as it existed at the date is not increased. If an addition is made, then additional loading spaces shall be provided up to the number required for such addition.

5.19 MANUFACTURED DWELLING HOUSES

Where permitted, a manufactured dwelling house, as defined in this by-law, may be established provided the manufactured dwelling house has a minimum ground floor area of 74.3 sq. metres (800 sq. ft.) and is serviced with both a septic sewage disposal system and a source of potable water that meet the requirements of Section 4.3.1 of this by-law. A manufactured dwelling house shall conform to all other requirements of the zone, where permitted, regarding single-detached dwellings.

5.20 MINIMUM DISTANCE SEPARATION REQUIREMENTS

- i) A building permit for any residential, commercial, community facility, industrial or active outdoor recreational use shall comply with the requirements of the Minimum Distance Separation Formulae (MDS I), as amended from time to time, calculated using Appendix A of this by-law.
- ii) Where a legal lot of record with an area of 1.5 hectares (3.7 acres) or less existed as of the date of adoption of this by-law, the provisions of this section shall not serve to preclude the issuance of a building permit for a permitted building or structure, provided all other requirements of this by-law are met.
- iii) No livestock or manure storage facilities otherwise permitted in the Rural (RU) zone shall be constructed, established or enlarged unless they comply with the Minimum Distance Separation Formulae (MDS II), as amended from time to time, calculated using Appendix A of this by-law.
- iv) Notwithstanding the above, in no case shall a livestock facility be constructed, established or enlarged with less than the applicable minimum yards required for the zone in which such facility is to be constructed, established or enlarged.

5.21 MULTIPLE USES/ZONES ON ONE LOT

5.21.1 Notwithstanding anything contained in this by-law, where any land or building is used for more than one purpose, the applicable provisions of this by-law which serve to regulate each use shall be complied with, provided that no dwelling shall be located closer than three (3) metres (9.8 ft.) to any other building on the lot, except for such accessory building or structure as may be permitted in accordance with the provisions of Section 5.1 of this by-law.

5.21.2 Where a lot is divided into more than one zone under the provisions of this by-law, each such portion of the said lot shall be used in accordance with the zone provisions of this by-law for that portion of the lot.

5.22 NOXIOUS USES

5.22.1 Notwithstanding anything contained herein, no land shall be used and no building or structure shall be erected, altered or used for any purpose which is noxious, and without limiting the generality of this subsection, for any purpose that creates or is likely to become a nuisance or offensive, or both;

- i) by the creation of noise or vibration in excess of the limits of the Environmental Protection Act;
- ii) by reason of the emission of gas, fumes, smoke, dust or objectionable odour in excess of the limits of the Environmental Protection Act, except in the case of agricultural uses operating in compliance with reasonable agricultural practices;
- iii) the incineration or disposal of biomedical wastes, organic or inorganic chemical wastes or radioactive wastes;
- iv) by reason of the unsightly storage of goods, wares, merchandise, salvage, refuse matter, motor vehicles, trailers, or parts of vehicles or trailers, machinery or other such material; or
- v) by any combination of those things described above in this section.

5.22.2 Except as otherwise specifically permitted in this by-law, the following uses are prohibited in any zone;

- i) refining coal oil or petroleum products;
- ii) tanning hides or skins;
- iii) manufacturing gas;
- iv) manufacturing glue.

5.22.3 Any use is prohibited which by its nature or the materials used therein is declared under the Health Protection and Promotion Act to be a health hazard.

5.22.4 The establishment and/or use of any track for the racing of motor vehicles, motorcycles, snowmobiles, go-carts or similar vehicles shall not be permitted.

5.23 OFF-STREET PARKING PROVISIONS

For every building or structure to be erected for, altered for, or its use converted to any of the uses specified in the following table, off-street parking facilities shall be provided and maintained in accordance with the following table and other provisions contained in this subsection unless otherwise specifically provided.

5.23.2 Parking Requirements

- i) The parking requirements referred to herein shall not apply to any building in existence at the date of enactment of this by-law so long as the gross floor area as it existed at that date is not increased or the use changed. If an addition is made or the use is changed, then additional parking spaces shall be provided up to the number required for such addition.

- ii) Parking as required by this by-law shall be provided either on the same lot on which the principal use is located or, where this is not possible, on a lot within 60 metres (196.9 ft.) of the lot on which the principal use is located.
- iii) Each parking space must be readily accessible at all times and arranged in such a manner to provide access and maneuvering space for the parking and removal of a motor vehicle without the necessity of moving any other motor vehicle, except that this shall not apply in the case of a single-detached dwelling.
- iv) Ingress and egress to and from the parking aisles prescribed by this section shall be provided by a sufficient number of adequate, unobstructed driveways having a minimum width of 6.0 metres (19.7 ft.), except that in the case of a single-detached dwelling, the width may be reduced to 3.5 metres (11.5 ft.).
- v) All off-street parking spaces, driveways and aisles required herein shall be constructed and maintained with a stable surface.
- vi) Where a ramp to parking aisles provides access from a street, such a ramp shall not be located closer than 7.5 metres (24.6 ft.) from the street line and a level stopping space shall be provided between the ramp and the street grade so as to provide adequate vision to the street in both directions.
- vii) Where a lot, building or structure accommodates more than one type of use, the parking requirement for the whole building shall be the sum of the requirements for the separate parts of the lot, building or structure occupied by the separate types of uses.
- viii) Where the application of ratios results in a fraction of a parking space, the required number of spaces shall be increased to the next whole number.
- ix) In the case of a parking structure completely or partly below finished grade, it shall not be necessary to comply with the setback requirements of the particular zone, except that the minimum distance between such a structure and the street line shall be 7.5 metres (24.6 ft.).
- x) Where parking requirements are related to seating capacity and seating is by open benches, each 0.6 metres (2.0 ft.) of open bench shall be counted as one seat.
- xi) The lights used for illumination of parking spaces, aisles and driveways shall be so arranged as to divert the light downward and away from adjacent lots and streets.
- xii) A structure not more than 4.5 metres (14.8 ft.) in height and not more than 4.5 square metres (48.4 sq. ft.) in area may be erected in the parking area for the use of parking attendants.
- xiii) No sign shall be erected in any parking area other than a directional sign, signs necessarily incidental to the efficient operation of a commercial parking lot, and a sign which gives the name of the owner. The maximum size of any such sign shall be 1 square metre (10.8 sq. ft.).
- xiv) No gasoline pump or other service station equipment shall be located or maintained on any parking space or aisle.
- xv) In a residential zone, not more than 50 percent of the aggregate area of the side

- yards and rear yard shall be occupied by parking spaces, aisles or driveways.
- xvi) Ingress and egress to parking areas shall not pass through zones other than the zones requiring the parking area.
 - xvii) Where off-street parking abuts a residential zone, a wooden fence at least 1.5 metres (4.9 ft.) in height shall be erected and maintained and the land within three (3) metres (9.8 ft.) of the residential zone shall be maintained in an open space condition.
 - xviii) No parking facility or part thereof shall be located and no land shall be used for the parking or storage of any vehicle within 1 metre (3.3 ft.) of any lot line or street line, or within 3 metres (9.8 ft.) of the boundary of any residential zone.
 - xix) Notwithstanding provisions of this by-law to the contrary, where any building, structure, use or activity is permitted or is legally in existence at the date of passing of this by-law and is subsequently changed in use or enlarged or extended in floor area, number of employees, number of dwelling units, seating capacity or otherwise which results in the reduction of the minimum required parking facilities and/or number of parking spaces and such number of parking spaces or part thereof cannot be provided in accordance with the minimum requirements, then such required parking spaces or part thereof shall be subject to the provisions of this by-law.

5.23.3 Special Needs Parking Requirements

- i) Special needs parking spaces shall be provided for all commercial uses at the rate of 1 space per 500 sq. metres (5,382.0 sq. ft.) with a minimum of 2 spaces being provided.
- ii) The special needs parking spaces shall have minimum dimensions of 4.0 metres (13.1 ft.) width by 6.0 metres (19.7 ft.) in length, and if two adjacent spaces are designated for the disabled, then the total width of both spaces together may be 6.5 metres (21.3 ft.) if a 1.5 metre (4.9 ft.) wide access aisle separates the two spaces.
- iii) Special needs parking spaces shall be the spaces located closest to the nearest accessible entrance(s) of the building on an accessible route.
- iv) All special needs parking spaces shall be painted blue, be marked by an identifying marker consisting of the international symbol for the disabled, and shall be identified as well on an upright or wall sign at the location of the parking space.
- v) If accessible parking spaces for side lift vans are provided, each space shall be at least 4.9 metres (16.1 ft.) wide.
- vi) A standard parking space parallel to the road edge or curb shall constitute an acceptable parking space provided it allows individuals to get in and out of either side of a vehicle and provided a curb ramp is located nearby, where required.
- vii) A minimum vertical clearance of 2.9 metres (9.5 ft.) shall be provided at accessible parking spaces, passenger-loading zones, and along access routes.

- viii) Gradient for a special needs parking space shall not exceed 5 percent.
- ix) Wheel stops shall be placed to provide a minimum 0.8 m (2.6 ft.) clear space for wheelchair access.
- x) Curb ramps, where required, shall be provided to permit access from the parking area to the sidewalk.

5.24 OUTSIDE STORAGE

- i) Outside storage of goods or materials shall be permitted in those zones where permitted, only if the goods are accessory to a use permitted in the zones and in accordance with other provisions of this by-law;
- ii) No outside storage area shall be visible from any street or from any adjacent lot where the adjacent lot is located in a zone other than a commercial or industrial zone, and every outside storage area shall be visually screened by a fence, wall or landscaped buffer not less than 2 metres (6.6 ft.) in height.
- iii) The above provision shall not apply to any outside storage area accessory to a permitted agricultural use;
- iv) Every outside storage area shall be provided and maintained with a stable surface that has been treated to prevent the raising of dust or loose particles and is properly drained;
- v) No outside storage area shall be considered to be part of any landscaped buffer;
- vi) No parking space, parking aisle or loading space required by this by-law shall be used for outside storage purposes;
- vii) An outside storage area shall not be permitted in a front yard or exterior side yard;
- viii) An outside storage area is in addition to and separate from any required off-street parking or loading space.

5.25 OUTDOOR FURNACES

An outdoor furnace shall be permitted to be located only within the Rural (RU) zone and shall comply with the following regulations:

- i) minimum setback from:

a) a lot line abutting a residential zone	-	100 metres (328.1 ft.)
b) any other lot line	-	60 metres (196.6 ft.)
- ii) no outdoor furnace shall be constructed or installed on a lot without the issuance of a building permit for construction from the Township.

5.26 PLANNED WIDTH OF STREET

5.26.1 Notwithstanding any other provision contained in this by-law, no building or structure

shall be hereafter erected in any zone closer than the sum of the front yard or exterior side yard requirement for such zone and the following where applicable:

- i) 15.0 metres (50.0 ft.) from the centre line of Highway 620 and former County of Hastings roads; and
- ii) 10 metres (32.8 ft.) from the centre of the right-of-way of all other streets in the Township.

5.26.2 Notwithstanding the provisions of this by-law to the contrary, where a building, structure or accessory use thereto is to be erected in a built-up area where there is an established building line, such dwelling or accessory use is not to be erected closer to the street line or to the centre line of the road or street, as the case may be, than the established building line on the date of passing of this by-law.

5.27 PROHIBITIONS

5.27.1 No person shall use any land or erect any building or structure within a zone except for a permitted use established or erected in accordance with the regulations provided by this by-law for the zone in which it is located.

5.27.2 No person, except a public authority engaged in the implementation of public works or services, shall reduce in area or frontage any lot already built upon, either by conveyance or alteration, so that the lot coverage of the building exceeds the maximum permitted by this by-law, or so that the area or frontage of the lot will be less than the minimum permitted by this by-law for the zone in which the lot is located.

5.27.3 Except in a rural, commercial or industrial zone, not more than one permitted use shall be allowed on a lot unless specifically permitted in this by-law. This section shall not prohibit the establishment of a home occupation or home industry in conjunction with a dwelling where such use is permitted.

5.27.4 The purpose for which any land or building is used shall not be changed, no new building or addition to any existing building shall be erected and no land shall be severed from a lot if such change, erection or severance creates a situation that contravenes any of the provisions of this by-law applicable to each individual remaining building, accessory building or lot.

5.27.5 Except as otherwise provided in this by-law, no building or structure shall be erected, altered, extended or enlarged except upon a lot nor shall any land be used for any permitted use unless it comprises a lot as defined herein. This provision shall not prevent the use of any parcel or tract of land for agricultural purposes, excluding the erection or enlargement of any building or structure except a fence.

5.27.6 No person shall erect or use any building as a dwelling house upon any lot on which another building that is used or intended to be used as a dwelling house already exists, or which is in the course of construction or for which a building permit has been issued.

5.28 PUBLIC USES AND UTILITIES

5.28.1 Notwithstanding anything contained in this by-law, the Township or any local board thereof, any telephone or telecommunications company, any transportation system owned, operated, or authorized by or for the Township, any Department of the Federal or Provincial Government or any Conservation Authority established by the Government of Ontario, may, for purposes of public service, use any land or erect or use any building or structure in any zone except Environmental Protection provided:

- i) that such use, building or structure, shall be in compliance with the lot coverage requirement for such a zone;
- ii) that there shall be no open storage of goods, materials, or equipment in the yards of any residential zone; and
- iii) that any building or structure erected or used in any residential zone shall be of a character and shall be maintained in general harmony with the buildings of the type permitted in the said zone.

5.28.2 Nothing in this by-law shall prevent the use of any land as a public park, a public street or for the location of a properly authorized traffic sign or signal, or any sign or notice of any Township, Provincial or Federal government department or authority.

5.28.3 Where in a zone in this by-law under the heading of "Permitted Uses" a public use is specifically permitted within a zone, then such use shall be permitted only within that zone.

5.28.4 Where in this by-law a public use is not specifically referred to in any zone, then such public use shall be permitted in any zone.

5.29 SIGHT TRIANGLES

Unless otherwise specified in this by-law, on a corner lot, within the triangular space formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each point being measured 9 metres (29.5 ft.) along the street lines from the point of intersection of the street lines, no building or structure which would obstruct the vision of drivers of motor vehicles shall be erected and no trees, shrubs, hedges, fences or walls shall be planted, erected or maintained of greater height than 1 metre (3.3 ft.) above the centre line of the adjacent road at the lowest point. Where the two street lines do not intersect at a point, the point of intersection of the street lines shall be deemed to be the intersection of the tangents to the street lines.

5.30 SETBACKS FROM WASTE DISPOSAL SITES AND MINERAL EXTRACTIVE ZONES

5.30.1 Waste Disposal Sites

- i) No new residential or community facility uses shall be permitted within the 500 metre (1,650 ft.) setback area of an existing or closed/abandoned waste disposal site, without the approval of the Ministry of Environment and the Township, provided the use is a permitted use on the lands within this setback area;
- ii) Where a waste disposal site is the subject of a Certificate of Approval, the setback is to be measured from the boundary of the waste fill area or from the treatment facility as defined in the Certificate of Approval;
- iii) Where a waste disposal facility has no Certificate of Approval, the setback is to be measured from the edge of the property on which the facility is located, unless a lesser distance is approved by the Ministry of the Environment and/or the Ministry of Natural Resources and the Township, and provided the residential use is a permitted use on the lands within the setback area.

5.30.2 Mineral Extractive Zones

No new residential or community facility uses shall be located within the following setback areas:

- i) 150 metres (500 ft.) of an area zoned Mineral Extractive (MX), where the zoning permits only removal and processing of sand, gravel or other approved aggregate;
- ii) 300 metres (1,000 ft.) of an area zoned Mineral Extractive (MX), where the zoning permits only removal and processing of sand, gravel or other approved aggregate, but where extraction is occurring or approved below the groundwater table;
- iii) 500 metres (1,650 ft.) of an area zoned Mineral Extractive (MX), where the zoning permits a quarry use;

unless a lesser distance is approved by the Ministry of the Environment and/or the Ministry of Natural Resources and the Township, and provided the residential use is a permitted use on the lands within the setback area.

- 5.30.3** In addition to approval by the Ministries noted above, approval of a minor variance shall be required for residential uses or community facility uses proposed within the setback area of waste disposal sites and the setback areas of Mineral Extractive zones.

5.31 STORAGE AND PARKING OF MOTOR VEHICLES/RECREATIONAL VEHICLES

5.31.1 Abandoned, unused and/or discarded motor vehicles, railway cars, trucks, bus or coach body, container, farm implements and similar abandoned equipment shall not be located or stored in any zone. For the purposes of this section, 'abandoned' shall mean a discontinuance of use for a period of six months or more.

5.31.2 No land in the Township shall be used for the parking of a motor vehicle which is undergoing repairs unless :

- i) such repairs are effected within an enclosed building; or
- ii) such repairs are effected while the vehicle is parked in a location such that it is not visible from any adjacent lands which are not occupied by the owner of the vehicle; and
- iii) such repairs are being undertaken at a motor vehicle service station or body shop.

5.31.3 No land in the Township shall be used for the outside storage of motor vehicle parts unless such motor vehicle parts are stored in a location such that they are not visible from any adjacent lands which are not occupied by the owner of such parts.

5.31.4 No tractor trailer truck shall be parked on a continuous basis within a Residential First Density R1) zone or a Residential Second Density (R2) zone.

5.31.5 In a Rural Residential (RR), Residential First Density (R1) and Residential Second Density (R2) zone, no more than one recreational vehicle, as defined in this by-law, may be parked on a lot. In addition, the lot must be developed with a permitted residential use (i.e. no recreational vehicles may be parked on vacant lots in these zones).

5.32 SWIMMING POOLS

5.32.1 Notwithstanding any other provisions of this by-law, a swimming pool is permitted as an accessory use in any residential zone or in a rural, commercial or community facility zone provided that:

- i) no part of such pool shall be located closer to any lot line or street line than the minimum distance required for an accessory building located on such lot;
- ii) such pool is located in an interior side yard or rear yard only;
- iii) any building or structure required for changing clothing or for pumping or filtering facilities, or other similar accessory uses shall meet all of the accessory building requirements of the zone in which the pool is located;
- iv) no water-circulating or treatment equipment such as pumps or filters is located closer than 3 metres (10 ft.) to any side or rear lot line;

- v) such pool is considered to be part of the developed space for the purpose of calculation of lot coverage; and
- vi) swimming pools shall meet all requirements of the Ontario Building Code.

5.33 TEMPORARY USES

- i) Nothing in this by-law shall prevent the use of any land or the erection or use of any building or structure for a construction camp, work camp, tool shed or other building or structure including a temporary sales or rental office which is incidental to and necessary for work on the premises, but only for so long as such use, building or structure is necessary for such work which has not been completed.
- ii) A tent or recreational vehicle, as defined in this by-law, may be used for a temporary residential use on a lot for the purposes of providing accommodation while construction of a principal building on the same lot is being undertaken, provided that:
 - a) such temporary accommodation is used for a maximum period of 6 months in any calendar year; and
 - b) such use is subject to issuance of a permit by the Township at a cost to be determined by the Township, and such permit can be renewed one time; and
 - c) a building permit has been issued and is in effect for the lot on which construction is taking place.
- iii) A crafters/farm gate sales outlet, as defined in this by-law, may operate on a temporary basis at any location within the Township, subject to receipt of a permit from the Township.
